Dear Ms Denny,

This letter is in regards to the February 27, 2014 compliance check of your Category C-1, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐ 110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor.

**Locate and move to a more accessible place. Please check to ensure that the arrow on the gage is in the green area indicating it is full. Also please double check the size to make sure it is large enough (2A 10 BC classification).**

**110.5(2) A provider file is maintained and contains:**

☐ 110.5(2)b During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting. If the provider has documentation of completing the ChildNet, PITC, or Beyond Business Basics series, these hours may be used to fulfill two year's training requirements, not including first aid and mandatory reporter training. A specific training shall not be used to meet requirements more than one time every five years.

**You indicated you are scheduled for more trainings beginning in March 2014.**

☐ 110.5(4) **The certificate of registration is displayed in a conspicuous place.**

## **110.10(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "C"**

☐ 110.10(3)c If the second story or basement are used for childcare, other than the use of a restroom, there is, in addition to one inside stairway, at least one direct exit to the outside. If a basement window is used as an exit, the window is openable from the inside without the use of tools.

☐ 110.10(3)c The window provides a clear opening of not less than 20 inches in width, 24 inches in height, and 5.7 square feet in area.

☐ 110.10(3)c The bottom of the window opening is not more than 44 inches above the floor with **permanent steps** inside leading up to the window.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before April 7, 2014.**

☐ Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after \_\_\_\_\_.

x ☐ Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope by: April 7, 2014.**
